

Meeting Extender - Personal Assistant(Spark)

Advantages:

- Better User Experice
- Removes hazzle of changing meetings - conference rooms bookings at last minute
- Common problem where stand up meetings could go beyond the stipulated time
- Its more intuitive where an assistance(BoT) reminds you when meeting is in progress
- Probability of immediate sucessor meetings in a conference room is high in a day
- Simplicity of meeting (cancelling/reschduling) from within webex teams instead of loggin in from outlook
